

## Build a Stronger Business with the Wholesale Lumber Group

**“Membership in a trade group can prevent you from making mistakes that are far more costly than the cost of your membership.”**

Larry Taggart, CCE, Corporate Credit Manager for Old Dominion Supply in Kensington, Maryland  
as quoted in *Business Credit* magazine

### Create A Better Business Practice

Critical information on businesses in your industry can help you make smarter decisions that protect your company and increase your value. The Wholesale Lumber Credit Group has the critical information you need — sometimes even before the news hits the street!

The group helps you stay informed in two ways. First, monthly meetings give you a face-to-face opportunity to discuss key information on specific businesses with other credit professionals in your industry ... plus helpful insights from professional speakers on today's hot credit topics.

Second, eFlash reports —email alerts on sudden adverse developments within your customer base — give you a 24/7 source for staying on top of important industry events.
